# **CLEAN WATER COALITION SPEAKER SERIES**

**Understanding the Health of Nantucket's Water:**  
**Join the Clean Water Coalition in conversation with**  
**partners from the Town of Nantucket to better understand**  
**our water quality, what it means for you, and how you**  
**can help.**

---

You are invited to attend on **Tuesday, July 11th at Great Harbor Yacht Club** or **Monday, August 28th at Nantucket Yacht Club** both from **4:30-6:30pm.**

We will hear from Jeff Carlson (Natural Resources Dept), Roberto Santamaria (Health Dept), David Gray (Sewer Dept), and Mark Willett (Water Dept) to discuss the three of the main factors affecting our water quality: stormwater, wastewater, and fertilizer.

There will be plenty of time for questions and answers.
